How to reach Rotterdam?

TRAIN

Intercity trains hailing from every corner of the Netherlands make a stop at Rotterdam Central Station, including the high-speed train. The fastest connection between Amsterdam, Schiphol Airport, Rotterdam and Breda is the NS Intercity Direct. It runs twice per hour. When travelling between Schiphol and Rotterdam, you will have to pay an Intercity Direct surcharge. When travelling from France and Belgium, you should take the Thalys (it runs ten times per day). When travelling from the United Kingdom, you will arrive direct by Eurostar.

PLANE

An increasing number of European cities provide direct flights to Rotterdam The Hague Airport. From Rotterdam The Hague Airport, you can reach the very heart of Rotterdam very quickly, travelling by car, taxi or public transport:

Should you opt to fly to Amsterdam Schiphol Airport, please see above for train connections to Rotterdam.

How to reach the Kunsthal?

Once in Rotterdam, the Kunsthal is just a 20' walk from Rotterdam Train Station and nearby popular hotels.

Should you opt for public transport, we recommend to take RET tram number 8 (direction Spangen) and stop at Kievitslaan or Vasteland. When travelling on public transport in Rotterdam, you need a OV chip card or you can buy single tickets at the station or from the conductor. Arriving by car is also an option.
